

ICMIE 2026

2026 9th International Conference on Measurement, Instrumentation, and Electronics

Hangzhou, China

November 20-22, 2026

2026 9th International Conference on Measurement, Instrumentation, and Electronics (ICMIE 2026) will be held from November 20-22, 2026, in Hangzhou, China. The conference is sponsored by Zhejiang University, hosted by School of Energy Engineering, Zhejiang University, China.

As an annual event, ICMIE aims to bring together scholars, academicians, and industry practitioners from around the world. The conference serves as a platform for presenting cutting-edge research, exploring emerging trends, and collaboratively addressing challenges in the field of Measurement, Instrumentation, and Electronics (MIE). In addition to technical sessions, ICMIE 2026 will feature plenary sessions, keynote addresses, and panel discussions, promoting interdisciplinary dialogue and the exchange of innovative ideas.

Track 2 Precision Measurement and Instrumentation Engineering

TRACK CHAIR

Prof. Weitao Jiang

Xi'an Jiaotong University, China

Biography

Weitao Jiang received Ph.D degree from Xi'an Jiaotong University on Mechanical Engineering in 2012. He has been a professor in Department of Mechanical Engineering in Xi'an Jiaotong University since 2020. His main research interest includes precision measurement, micro/nano fabrication, and smart sensors.

TOPICS

- Precision measurement of geometric and mechanical quantities
- Optical interferometry and super-resolution measurement
- Coordinate measurement and reverse engineering
- Nanometrology and micro/nano manufacturing measurement
- Instrument design, prototyping, and modeling
- Measurement uncertainty and traceability

IMPORTANT DATES

<i>Paper Submission</i>
<i>July 5th, 2026</i>
<i>Notification of Review Result</i>
<i>August 5th, 2026</i>
